Associate Degree

Associate in Arts

See program schedule for classes

60 Credit Hours

This program is divided into a 31-32 semester hours of credit (SHC) Universal General Education Transfer Component (UGETC) and a 28-29 SHC Degree Completion Component.

Courses selected should be chosen carefully to match the requirements of the university or college where the student plans to transfer.

Associate Degree

Associate in Science

See program schedule for classes

60 Credit Hours

This program is divided into a 34 semester hours of credit (SHC) Universal General Education Transfer Component (UGETC) and a 26 SHC Degree Completion Component.

Courses selected should be chosen carefully to match the requirements of the university or college where the student plans to transfer.

Bachelor's Degree

Four-Year Bachelor's Degree

Only two years after completing Blue Ridge Associate Degree. See required courses from selected four-year universities.

Community college graduates must obtain a grade of "C" or better in each course and an overall GPA of at least 2.0 on a 4.0 scale in order to transfer with a junior status.

Courses may also transfer through bilateral agreements between institutions. Course substitutions may invalidate the protections afforded under the Comprehensive Articulation Agreement.
