**Men's Baseball Spring 2010 Season Cancelled**

FLAT ROCK, NC - Blue Ridge Community College President Dr. Molly A. Parkhill announced today the College has canceled its Spring 2010 season for the men's baseball program.

"The number of eligible student athletes has declined during the past few weeks due to academic progress and injury," said Dr. Parkhill. "We are disappointed we cannot participate in the Spring season and are working closely with those affected student athletes interested in pursuing their athletic and educational goals through other junior college programs."

Blue Ridge Community College is a member of the NJCAA Division I and the Carolinas Junior College Conference and is currently recruiting student athletes for the Fall 2010 women's volleyball program and the Spring 2011 men's baseball program. Interested student athletes should contact the College's Athletic Director at (828) 694-1815.
