

How to Login to Papercut MF Client (On Your Computer)

In order to print to the new Toshiba Print Centers, it is necessary to login to Papercut first. If you do not login to Papercut, then your print job will never arrive at the printer!

- Click Start
- Click “All Programs”
- Click “Papercut MF” folder
- Click “Papercut MF Client”
- Enter username - formerly the “copier code” username
- Enter password - formerly the “copier code” password
- Click OK
