ADOPT A HIGHWAY!

**OCTOBER 18TH AT 3:00 P.M.
PATTON 150**

If interested email ca_lydon@blueridge.edu

PLEASE COME JOIN US IN KEEPING OUR CAMPUS AND SURROUNDING ROADS BEAUTIFUL!

We now have a water bottle filling station in every building on all campuses. So far we have saved over 30,000 plastic bottles from the landfill!!

Did you know?

The Print Shop will take your packing materials such as Styrofoam peanuts, bubble wrap and bags of air.

2019-2020 SUSTAINABILITY INITIATIVE

All new employees will receive a sustainable gift and a card outlining our recycling and energy efficiency efforts on campus !

If you have any questions or suggestions about sustainability at Blue Ridge, please feel free to reach out to Carol Ann Lydon at x1882.

Thanks to our Grounds Dept, our Horticulture students, and a seed donation from the DNR, we have planted four new pollinator habitats on campus.
