

## Connect with Us

Visit our website at [blueridge.edu/admissions/schedule-a-tour](https://blueridge.edu/admissions/schedule-a-tour) or call 828.694.1800 or 883.2520 to request a campus tour. Do you have questions about your program or other programs that we offer? Do you need assistance from our Disability Services Office? Contact 828.694.1800 and speak with an Admissions Counselor today for assistance.

Explore our website at [blueridge.edu/programs-courses](https://blueridge.edu/programs-courses) to find out more about our programs and courses.

## Set-Up and Access myBlueRidge

One of the most important steps to becoming a student is setting up your myBlueRidge account.

myBlueRidge, located at [my.blueridge.edu](https://my.blueridge.edu), allows you to contact your academic advisor, create a course plan, register for courses, check your financial aid status, make payments, view your grades, access an unofficial transcript, and much more. Follow these easy steps to get started:

- Using Google Chrome or Mozilla Firefox, visit [blueridge.edu](https://blueridge.edu) and click on the blue “Students” button at the top right-hand side of the home page.
- Choose “WebAdvisor” and from the WebAdvisor homepage, click “I’m New to BRCC” at the bottom right.
- Follow the four steps to retrieve your username and temporary password to complete the set-up.
- Finish the log-in process by creating your own unique password. Now that you have your username and unique password, you may log-in to myBlueRidge, your student Webmail account, and myCourses.

Detailed instructions to set up your online accounts and other technology tutorials are available on our website at [blueridge.edu/technology-support](https://blueridge.edu/technology-support).

## Paying for College

Apply for financial aid as early as possible. Applications for federal and state financial aid may be submitted through the Free Application for Federal Student Aid (FAFSA) at [fafsa.gov](https://fafsa.gov). Blue Ridge’s school code is 009684. As a reminder, financial aid applications correspond with the academic year, which runs Fall to Spring to Summer. Learn more at [blueridge.edu/paying-for-college](https://blueridge.edu/paying-for-college). Check your Financial Aid status in your myBlueRidge account ([my.blueridge.edu](https://my.blueridge.edu)) anytime!

And, apply online for Educational Foundation scholarships at [blueridge.edu/scholarships](https://blueridge.edu/scholarships).

## Placement Testing

Do you need Placement Testing? If you meet RISE requirements, have acceptable SAT/ACT scores, or have obtained an associate degree or higher, you may not need placement testing. Contact Student Services at 828.694.1800 to determine if you meet the above exemptions for testing.

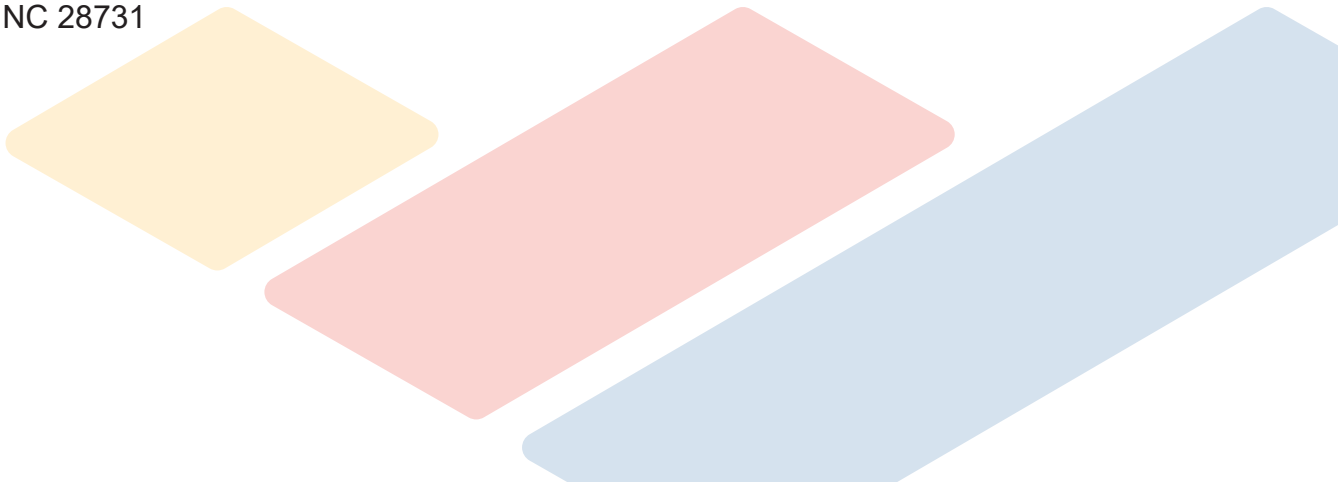

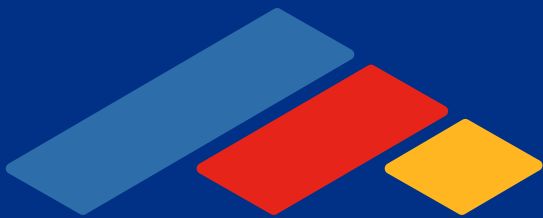

If you need placement testing, visit [blueridge.edu/admissions/placement-testing](https://blueridge.edu/admissions/placement-testing) or call 828.694.1800 for additional information.

## Orientation

New Student Orientation at Blue Ridge is designed to help you become familiar with the college environment and have a successful start to your college career. Orientation is required for degree-seeking students, as it connects you to many campus resources. Visit our website at [blueridge.edu/admissions/new-student-orientation](https://blueridge.edu/admissions/new-student-orientation) to register as you prepare for the start of a new semester.

If you are taking an online course you are required to complete the Student Online Learning Orientation (SOLO) prior to accessing their online course content. This orientation only needs to be completed once to allow access to all current and future online course material. SOLO can be found in myCourses.

# Welcme!

180 West Campus Drive  
Flat Rock, NC 28731

**Blue Ridge Community College is a smart investment in your future.**

We are delighted that you are interested in Blue Ridge to pursue your career goals.
