

Employee Giving Campaign Making an Impact

Without the support of you, our staff and faculty, many of the programs that make up the life and backbone of BRCC would not be possible. Your donation allows us to provide financial support to our students, faculty and staff for items and programs that tuition or state funding will not support.

Your funds help us purchase state-of-the-art equipment for use in classrooms; sponsor faculty professional development; provide start-up costs for new programs; and help fund emergency needs for our students.

If you gave to our Employee Giving Campaign last year and you want your payroll deduction to continue, your funds will continue supporting that indicated purpose. This form is for new gifts or changes to your gift from last year.

We are striving for 100% participation from our employees. Please know that ANY size gift matters. All gifts help lift up our students and help them achieve their dreams of a better life through education.

**For every donation pledged or given of \$5 or more to the Employee Giving Campaign,
You will receive a BRCC Educational Foundation T-shirt!**
